UWS conducted the inaugural Research Student Satisfaction Survey in mid 2005. As a result of your feedback the University has actioned the following improvements.

1. HDR students will have log-on privileges and library privileges equivalent to that available to academic staff.
2. Colleges will increase the number of forums and events to engage HDR students with the UWS research community and to showcase HDR students' work.
3. A review of resource entitlements for HDR students has been undertaken and recommendations have been made to the UWS Executive for action.
4. The Postgraduate Association of UWS (PAUWS) is working to establish an HDR student network
