

YOUR VOICE COUNTS

Your feedback is important. UWS conducts regular surveys asking students about their university experience and how it can be improved. As a direct result of your feedback in 2006/07, the University is:

- » Improving assessment practices including: its relevance, clarity, managing expectations about marking and grading criteria and ensuring realistic and timely feedback
- » Upgrading the UWS online learning system (WebCT)
- » Further enhancing MySR student enrolment system
- » Reviewing the services provided by student centres aimed at improving student experience
- » Rolling out wireless access in 2007
- » Installing a Multi card ATM at Parramatta campus to complete availability at all UWS Locations
- » Addressing parking problems at Parramatta and Penrith campus
- » Refurbishing campus libraries
- » Improving promotion and communication of various student support services
- » Consulting with students at all campuses on their preferred improvements to food services
- » Scaling up opportunities for work based and community learning
