

## Participant Consent Form

This form is to indicate your consent to:

1. Participate in the research project: I, Office: Configuring person and place in everyday office computing.
2. Have the information from the interview, diary and observation that you participate in recorded on a voice recorder and included in the results of the project.

The material from the interviews may be included in my PhD dissertation, written reports, a written book, a book chapter, journal articles, conference papers and/or policy recommendations and training material. Only pseudonyms will be used when discussing or writing up the information you offer. A copy of this informed consent will be given to you. I cannot promise that you will receive any benefits from this study.

Your participation is voluntary and at any time during the research project you may withdraw your permission to take part in or have your materials in the project removed without any question.

The researcher for this project is Justine Humphry, PhD Candidate at the Centre for Cultural Research, University of Western Sydney. Justine is available to answer any further questions about participating in the project. She can be contacted at the Centre on (02) 9685 9647 or by email on [justine@scholar.uws.edu.au](mailto:justine@scholar.uws.edu.au)
